

# AFRICA ARMCHAIR

By Eugeni Quitllet

The Africa collection is growing! First we launched the chair "The most simple things are the most original... The most original thing is to be simple..." says Eugeni Quitllet.

After the success of the AFRICA chair, we have converted its qualities to a higher level, so you can now enjoy its beauty and serenity from the bar as a stool. The chair's backrest has become smaller and the legs have become longer.

The essence of this collection is reflected in its simple and natural forms. A design created to be close to your "tribe" of friends, just as the designer declares. Simply original!

A wonderful family that keeps growing!
