Note

materasso non incluso
/mattress is not included

Rivisitazione in chiave moderna del letto
giapponese, lo spazio laterale permette di vivere
il letto come un'isola multifunzionale, semplice
piano di appoggio oppure come piano di
lavoro per poter sfruttare Long Island anche
durante il giorno.

A modern reinterpretation of the Japanese bed.
The lateral space makes it possible to use
the bed as a multifunctional island, a simple
counter surface or a worktop, to also utilize
Long Island in the daytime.
