Il cerchio, simbolo di pienezza ma anche di continuità e ciclicità, è l'elemento ispiratore dei tavolini Pretty. Differenti dimensioni, per i tavolini che possono "vivere" singolarmente, o insieme, creando una nuova morfologia sia nella zona giorno che nella zona notte.

The circle as a symbol of fullness but also of continuity and cyclicity: this is the element that inspired the designer in conceiving these new coffee and side tables. Pretty is proposed in different sizes. The model is designed to bring life as an individual piece or as a set of tables, either for the living area or night setting.
